

Sierra Chart Connection Guide

Step 1: Download Sierra Chart

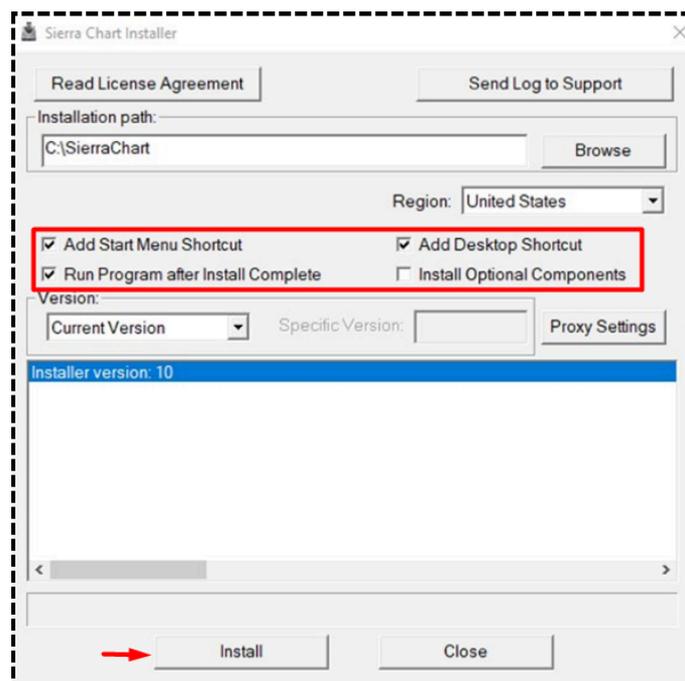

- To begin, download the Sierra Chart platform from the official website [HERE](#).
- On the download page, click the green “**Download Sierra Chart**” button.
- This will download an executable file to your computer.
- **Please note:** Sierra Chart is built for and runs on Windows machines only.

Step 2: Install Sierra Chart

Once the installer has been downloaded:

- Open the file you downloaded.
- A pop-up will ask if you want to install the program with default settings.
- Uncheck any optional features you don't want and click **Install** to proceed.

Step 3: Log Into Sierra Chart

After installation is complete:

1. Open the **Sierra Chart** application.
2. Enter your Sierra Chart's '**Account Name**' and '**Password**' on the login screen.
 - Don't have an account? Click "**Create Account**" and follow the steps.
 - Forgot your password? Use the '**Retrieve Lost Password**' option – a reset link will be sent to your registered email address.

Sierra Chart 2525 (Rev. 46745) Login

Enter in the boxes below your Sierra Chart Account Name and Password and press Login.
These are not your Data or Trading service username or password. Press Help if you have a problem logging into your account.

Press the Cancel button to modify the Account Name and Password if you need to change them.

Working Off-line: To work off-line, press the Login button. You need to previously have

Account Name:

Password:

Force Login Save Password
 Safe Mode Open Files on Startup

Email Address for SC Account

Used for password recovery

Use Risk Manager Mode
 Connect to Data Feed

Step 4: Configure Rithmic Data Feed Settings Post Installation

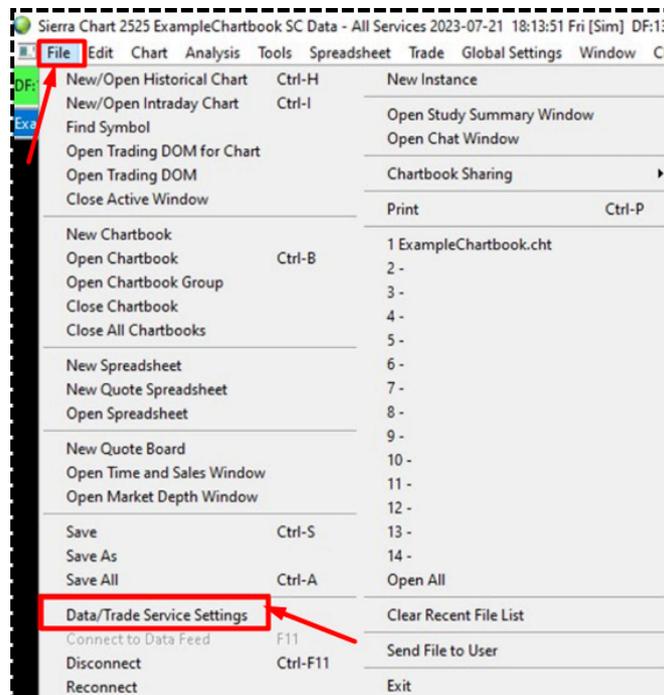

To connect your PST account to Sierra Chart:

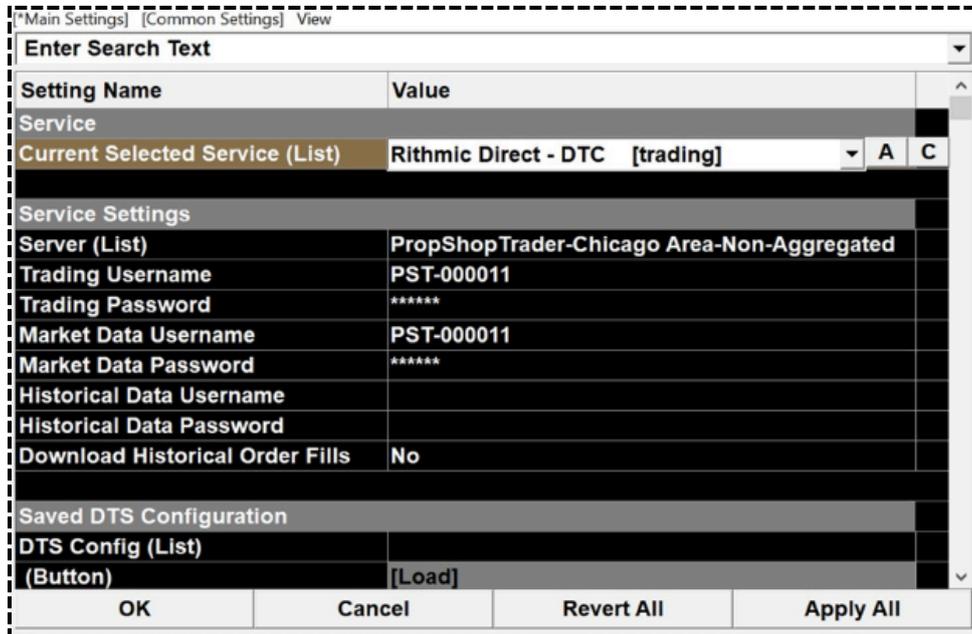

1. From the top menu, go to **File → Data/Trade Service Settings**.
2. Under **Current Selected Service**, choose:
 - Rithmic Direct - DTC [trading]
3. Configure the connection details:
 - **Server:** PropShopTrader - Chicago Area - Non-Aggregated
 - **Trading Username:** Enter your PST Rithmic username
 - **Trading Password:** Enter your PST Rithmic password
 - **Market Data Username:** Enter your PST Rithmic username
 - **Market Data Password:** Enter your PST Rithmic password
4. **Optional Settings:**
 - **Historical Data:** Enter your PST username/password if needed
 - **Download Past Order Fills?:** Select **Yes** or **No** depending on preference
5. Click **OK** (bottom-left corner) to save and exit.

Important

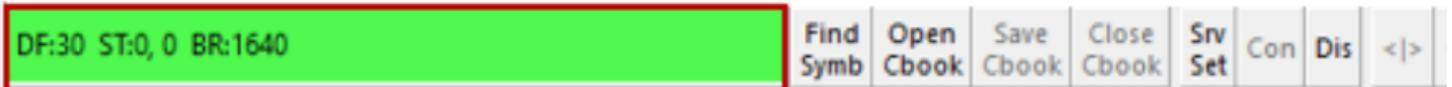

Always ensure your username and password are entered correctly. Credentials are case-sensitive.

Step 5: Confirm Connection

- If your details are correct, a **green status box** will appear in the top-left corner of Sierra Chart.
- If it appears **yellow**, you are not connected – please double-check your credentials and settings.

You're All Set!

You are now successfully connected to Rithmic data using your PST account on Sierra Chart.
